SAVING LIVES AROUND THE WORLD. ONE ANIMAL AT A TIME.

Pawsitive Match Rescue Foundation

is a not-for-profit animal rescue and a registered Canadian Charity run entirely by volunteers. We work very hard to save dogs and cats in life-threatening situations throughout Canada and the world.

**BECOME A
FOSTER TODAY!**

Fostering saves lives! When you open your home to foster an animal, it allows us to learn what they are like in a home setting rather than a shelter environment. Not only that, it frees up much needed space for other animals who are potentially in life threatening situations to come into care!

Please visit our website for more information and to connect with us today!
